VIRTUAL EMBRYO CHALLENGE

Task 2 scoring map

Four biological questions receive equal 25% weight; metric count does not determine importance.

25%	25%	25%	25%
Expression change	**Cell-state distribution**	**Shape + scale**	**Local organisation**

Expression change

DES + DCS
50/50 within group

Cell-state distribution

MMD + CSS
60/40 within group

Shape + scale

SDD + ODS + TSR
about one-third each

Local organisation

NFS / neighborhood_mmd
lower is better
